SEPTEMBER 11 GATHERING OF REFLECTION AND REMEMBRANCE AT 4:30 P.M.
ON THE 10TH ANNIVERSARY OF THE 9/11 TRAGEDY

September 11, 2011 will mark ten years since the tragedy of 9/11 – the series of events which took the lives of many and shook the consciousness of our nation and the world. Gatherings of all kinds and types are occurring around the country on that date involving churches, synagogues and mosques all working together. As part of effort to not only remember, but to emphasize peace and non-violence in the face of increasing violence and cultural tension, CUMC is offering a **special worship gathering of Reflection and Remembrance at 4:30 pm** Sunday afternoon on 9/11. The church choir will be singing under the direction of Frank Wells. This event is open to the community. Please invite your friends and neighbors as we provide a place and a way to reflect and remember.

VISION RETREAT UPDATE

On August 6, 2011 35 people gathered to plan for the future of Cambridge United Methodist Church. We were lead by Kay Roberts who guided us through some small group and whole group discussions and helped the group begin to develop some key points of agreement. The next step in the process is to develop a team of 10 individuals to continue to work on developing the vision and present their work to the Administrative Council and the Congregation. We are putting our team together and will begin the next steps of our visioning process once the team has been assembled. Our church will continue to work with Kay Roberts as this process moves forward. Thank you for your support and prayers as we plan for the future of our church together. -Mark Ziebarth, Ad Council Chair

Musings from Pastor Jean - "At The Train Tracks"

I am in my eighth week among you and it seems like so much more time has gone by as a lot of things have occurred during that time. I am amazed at what we have been able to do and am looking forward to continuing our journey together over the next several years. As I have told you before, I am in this for the long haul.

We have begun our Visioning Process and are continuing to work both with the information you provided on Aug. 6 in our morning session with Kay Roberts, as well as what has emerged from each Meet and Greet (M/G). I have already made some small changes based on things that arose during those gatherings when they did not have budgetary or long-term vision impact. For example - not using initials like "NA" or "SPRC" for meetings but spelling them out was a change as suggested by a newcomer who did not know what all the "alphabet soup" meant and so felt left out. That was one obvious change to be more hospitable and welcoming. Last Sunday, at the suggestion of one of our Seniors, I turned my position for doing Children's Time from facing the kids frontwards to facing the congregation. I had been told when I came that you had a tradition of facing the altar, but that meant you folks in the pews couldn't hear or see as well. Since I know many adults enjoy the Children's Time (*maybe you even like it better than the sermon?!*) I decided to make that turn around switch. Many people told me after the service that they appreciated that change. The staffing of the nursery came from both the M/Gs as well as my own knowledge of what makes churches more welcoming for newcomers.

These are just some of the changes we have already made, along with providing you with more information in the newsletter and making sure everyone is aware of what is happening in the church in as many venues as possible. Remember, it takes people 13 times of hearing something to remember it. Telling people one time is never enough.

To that end, and as part of our open communication efforts, we are working on updating our technology of emailing,

doing a web site overhaul as part of our efforts to communicate not only to you, but those who might be interested in finding out who we are. We are gathering all of your suggestions and will be looking at what you have asked for and suggested as part of our visioning.

On Monday, Aug. 22, I completed my 12th (and I think last) Meet and Greet. I very much appreciate those who have taken the time to participate either by hosting and/or by attending. Those gatherings have been extremely helpful to me in not only getting to know you better as individuals, and giving me a better opportunity to learn names, but also to learn more about what you, as a church, are looking for in terms of what CUMC can and should be in the community.

Sunday mornings can be more rushed and so this has been a good way to have some unhurried time to hear some of your stories and backgrounds. I know that some of you have been as surprised as I am by what you heard from people you thought you knew well! Some quiet folks have had some pretty interesting jobs in their past!

While there are some things that seem to be universal in terms of what people appreciate about CUMC (hospitality, Coffee Time, Choir, various outreaches), there are also other wide variations in what people want their church to be and what they think the future of the church should be. All of that is part of what the Visioning Team will be looking at as they work with Kay Roberts moving forward.

Yes, there will be changes and not everyone will agree with all of those changes. I trust and pray, however, that we can, as the body of Christ, work together in harmony knowing that we are working for the good of the whole and for helping God to create God's realm here on earth. Change can be scary, but as I have told you in my examples above, change can also be positive in solving problems or making things easier for others.

There may come a time when you do not agree with the decisions that the church has made in terms of vision,

focus and direction. Not everyone's favorite projects or areas will be picked as the main goals. Given the size of our church, we cannot be all things to all people. At that point you will have to decide if you can support, and not undermine, the decision(s) as the one(s) decided by the majority, even though you personally disagree, or if you will need to find a church whose vision is more in keeping with your own. I am not saying this as a threat or as a wish for anyone to leave, I am only stating the reality of what happens when a church determines its purpose and mission and becomes focused. New research has shown that the growing churches (in the midst of otherwise declining mainstream churches) are the ones whose focus and vision are very clear, where the people all know that vision and can articulate it, and where it is also very clear to the community. These churches run the whole theological gamut, but the clarity of their vision and purpose is key. Some people do leave, but others join because of the vision.

Change can be risky, but change is required to also move forward into an unfolding new future. Any ultimate decisions will come before you as the congregation for vote. Nothing will be forced upon you "from on high" without your vote. Hopefully, by the time the vision is put before you there will be no surprises as we have been communicating with you all along the process. Please remember that in the United Methodist Church, majority vote rules.

The next several months are going to be exciting times. The future of this church is dependent upon what decisions are made and what vision is chosen. Are you willing to take the needed risks with your leadership, with your Visioning Team, with me? I hope you are. This is a great congregation and it deserves to be a positive, known and vital presence in Cambridge and the Isanti County community.

The train is in the station and ready to leave, hop on board! Blessings,

Pastor Jean

CUMC WANTS (NEEDS) YOU!!!

SPRC has been working hand in hand with the Ad Council and the Finance Committee to address our staffing needs. It has proven to be quite a challenge to balance the needs of the church with the resources available. We were blessed for several years to have paid staff available to help with the Youth Ministry, but as you know, that position was eliminated because of the lack of financial resources.

Last spring a special fund drive was carried out that provided funds to try and help address those needs. The church council has made these funds available as stipends to attempt to “staff” the Youth and Sunday School needs for the remainder of this year. I would like to thank the Youth Advisory Committee for their hard work in coming up with job descriptions and recommendations for filling those needs. **THANK YOU!** The information and recommendations of the Youth Advisory Committee will be brought to SPRC and then moved to the Ad Council for their final approval.

This information is intended as a back drop to the title “CUMC wants (needs) you!!” Our church is blessed with many-many volunteers—IHN, Meals on Wheels, serving on committees, Shalom Shop, singing in the choir, ushers, greeters, coffee hour---just to name a few. But, more then ever, we will need MORE of you willing to help support the “part time” staff by helping with the Youth programs, teaching Sunday School, staffing the nursery, and the list goes on. **PLEASE** let Pastor Jean, Sara in the office or any members of SPRC or the Ad Council of your willingness to serve. “Volunteerism” is contagious---Once it starts it tends to spread. Many hands make the tasks easier. Please prayerfully consider how you can help!

TRUSTEES UPDATE

- The roof replacement is finished and as of the August 23rd thunderstorm there have been **NO** leaks.
- The three church parking lots have been cracked filled, seal coated & striped.
- Through a generous memorial gift, we were able to convert the church fireplace to gas with a gas insert.
- A huge thank you to everyone who supported these projects through completion with their prayers and generous gifts of money.

-The Board of Trustees

ADMINISTRATIVE COUNCIL UPDATE

Thank you from the Ad Council for the warm welcome you have given Pastor Jean. We appreciate your attendance at the Meet and Greet opportunities over the last two months. We also were very pleased at the great turnout for our visioning meeting in early August. We are taking all of the information you have given us about the direction for our church and are developing a new vision and mission for Cambridge United Methodist Church. This process will take a little time and I am asking for your patience as we move this process forward. I am excited about the changes we have made to meet the needs of our youth and I am also excited about the many opportunities for ministry that are coming in the near future. Thank you for your support and your efforts to make CUMC a great place!

-Mark Ziebarth, Ad Council Chair

MISSION ALERT

Isanti County Food Shelf is in dire need for: Peanut Butter, Jelly, Canned Fruit, Tuna, and Macaroni and Cheese. Continue to bring these items plus any other food donations to share and place in the basket each Sunday. The Ag-Grad table is waiting for donations of produce to be purchased. Also, checks can be made to the Church and designated for Ag-Grad or Isanti County Food Shelf and placed in the containers in the cart or on the Ag-Grad table. Every little bit helps relieve hunger locally and provide scholarships for students from third world nations to study agriculture in the U.S. and return to their homeland to better food supplies for their people. So let us all give until it helps. God Bless!

Our District Superintendent, Rev. Pam Serdar, is coming for Site Visit on Sunday October 2. She will attend and participate in worship, then meet with Leaders and Members of CUMC following worship to celebrate our ministries. She will also briefly meet with the Staff Parish Relations Committee and then there will be a potluck lunch to follow. Anyone interested in being a part of the events to follow the worship service are welcome to join us. Questions? Call Pastor Jean

**UPDATE ON THE HIRING OF PEOPLE FOR THE 5 POSITIONS
IN THE EDUCATION/YOUTH AREAS**

The Education/Youth Task Force has been continuing to do the work assigned to it by the Administrative Council. You all would have received the letter informing you about the process, the positions and the schedule for submitting applications. We have again met, reviewed the applications and have selected candidates to be approved by the Staff Parish Relations Committee. Our goal is to have everyone officially hired by Sept. 1 so that all programs can begin on Sept. 11 Rally Sunday and the Wednesday nights. **The one position still open is for Sunday School Superintendant. If anyone would still like to apply for this position, please contact the church office ASAP.** The Task Force has also indicated that if two people would like to share this position that would be fine, too. Please let us know.

COLLECTING SCHOOL SUPPLIES

Our **youth/education programming area** is in need of some **fall supplies**. Please feel free to pick up some materials for the church while you are shopping during the **back to school sales**: Elmers glue liquid or sticks, pencils, construction paper, copy paper, scotch and masking tape are needed. Please bring to the Church Office and we'll gather them for the Education Area.

LAPTOP OR DESKTOP NEEDED

The Church Office would like to set up a dedicated office server. This will make it possible for Sara and Jean to share access to documents and membership information. We are hoping someone would be willing to donate a computer which would act only as a server here at Church. This computer would need to have Windows XP or newer with a hard disk space of 100 GB or more. A desktop computer would work fine as they are all expandable.

**VOLUNTEERS NEEDED DURING
SARA'S MATERNITY LEAVE**

Our Church Secretary is expecting a baby in mid October. We are fortunate to have a volunteer willing to help with the financials and the bulletin while she is at home. However, we are looking for a few willing volunteers to come and answer phones, keep the building open, and be a presence in the Church Office in the mornings. If you would be willing to spend some time in the office during the month of October and/or November please call Sara in the Church Office or talk with Pastor Jean.

HOSPITALIZATION AND MEDICAL CONDITIONS

Please let the Church Office and/or Pastor Jean know about hospitalizations and/or medical conditions even if you don't want them publically announced. We do care and believe in the power of prayer. Unless you tell us, we don't know. Thank you. Pastor Jean.

**TO ALL THOSE WHO MAY ASPIRE,
TO BE SINING IN THE CHOIR:**

Come, all you willing singing souls
To join us in the choir!
Come sing with joy and tenderness,
With spirit and with fire!

The seventh of September we
Will join in one accord
At seven in the evening, and
We never will be bored!

We laugh and talk (appropriately!)
And lift our hearts in song.
So won't you please come sing with us,
And bring a friend along?

Looking forward to the date
(Come at seven; don't be late),

Frank Wells
Choir Director

As part of our efforts to be welcoming to visitors and newcomers and to be helpful to those who have children within our congregation, we are announcing that a **staffed nursery** will be provided every Sunday for babies and small children during worship beginning August 28. From Sept 11 on, the nursery attendant will be in place by 9:00 am and go through to 10:45 am so that anyone in the choir or hospitality can drop off their child and attend rehearsal or work in the kitchen. We have hired Leah Armstrong and Michelle Ziebarth to provide this service so that there is a consistent person as well as clean toys and saved child information on allergies and parental names. BOUNDARY WATERS TRIP NEWS

Our Boundary Waters trip has come and gone and I have to say, it was another awe inspiring adventure. There was 10 people total going. When we arrived at the parking lot, none other than Marlys and Ellie were there with a mixture of "goodies" to last us awhile. Leonard and I lifted Jackson into the van for the "road-trip" (man we got good at doing this). Made it up there fine and settled into our camp area, about 15 miles east of Ely, MN. Jackson had a great set-up of his own fairly close to the bonfire pit. We decided to have a group of hikers and group of canoe's for Thursday. Made it to Bass Lake and portaged the canoes about .7 miles to the lake. A short time later the rest of us were made aware of two canoe's that flipped the canoe-you will have to ask around on who this was. They were OK and no gear was lost. The hike was awesome and we even had our own two extreme explorer's-they were only missing for like an hour and managed to show-up at the parking lot from vehicle assistance. Friday we went into Ely and walked the Mesabi Trail- a paved trail about six feet wide. Man, did we find the raspberries on the trail. After that we split up and shopped around the town. The three years past we decided on a mascot and this was no different. I found a canoe about a foot long w/ paddles that looked really cool. I thought the people that went could put their initials on it. We started early and did 3-4 portages (carrying your canoe and gear across land to another point) . Found a great cliff about 15 feet high and jumped off that for what seemed like two hours-man was that fun!!! This area is so amazing-I catch myself wondering how lucky we are to be so close to unreal creation. If you have not experienced this area you should really make time, people come from all over the world to experience the BWCA. We canoed back to our starting point but I wanted Mitchell and Cory to portage a canoe so next year they can say they are "veterans". We also talked about numerous scriptures relating to the outdoors and creation. We all would like to thank everyone for the treats, the prayers for us, and continue to help us with fund raisers to help keep the costs down to go to camp. I love this trip so much I will probably do again next year. I can't wait. This is a way I can contribute to a different type of ministry. What do people think about doing an adult BWCA trip or intergenerational trip? If interested let me know. Thanks, Jesse Peck

2011 Financial Report through July 31

By Fred Nolan, Finance Chair and Acting Financial Secretary

THANK YOU to the 158 families and individuals who contributed \$140,880 to the General Fund, Missions and activities of the Cambridge United Methodist Church in the first half of 2011. While the 57 pledging givers need to be acknowledged for providing 68% of the total income, all givers, individual gifts and donations—even for coffee and rental fees are needed to pay our bills, salaries, maintain the church building, and carry out the missions of the CUMC.

Giving and Church Income through July 31, 2011

Total Income and Giving	\$ 146,174
Pledged Giving	\$ 92,000
Non-Pledged Giving	\$ 45,288
Youth Leadership Pledges	\$ 3,592
Other offerings and donations	\$ 4,138
Room and hall rental	\$ 1,155

In our expenditures this year, based on Ad Council action in 2010, we have clearly separated the General Fund from Dedicated Funds as you can see in the tables below.

In the General Fund:

- We finished the first seven months of the year pretty much on target for expenditures and giving.
- As of August 17th, we have a cash balance of \$10, 282 but we suspended paying apportionments in August to be sure we had sufficient reserves to pay our bills. So this is slightly elevated number.
- Pledged and unpledged giving must continue on pace throughout the rest of the year for church to continue to meet payroll, utilities and other current operation expenses, and catch up on our pledged apportionments.
- The Minnesota Annual Conference has been very helpful to Sara and me over the past seven months as we have worked together in making the finances more transparent and to SPRC in the transition to Pastor Jean. Apportionments are how the Conference gets paid, as well as supporting United Methodist ministries.

General Fund 2011 Expenses through July 31:

In the Dedicated Accounts:

- The Harvest and Holly, Salad Luncheon (Camperships), and the additional pledges for Youth Leadership in 2011, were transferred from the General Fund to Dedicated accounts in 2011, which is why they have zero balances as of January 1, 2011.
- The Capital Plant funds from the sale of the parsonage have been transferred by the Trustees to Roof Repair in order to repair the roof in the summer of 2011.
- Thank you to the 20 individuals who contributed \$7,310 to meet the challenge of repairing the roof.

THANKS TO ALL WHO HELPED WITH IHN IN AUGUST

Thanks for everyone’s help in making last week’s IHN hosting a success. We served four homeless families including nine children. We know the week was successful as again the families would like to have stayed here.

With the help of Joy Lutheran Church we had over 60 different volunteers that contributed a total of 373 hours of service during the week. We would like to list the names of our volunteers but we also know that some of you do the work behind the scenes with food etc. and we do not want to omit anyone. This is a great ecumenical project and we have met some great people from Joy Lutheran.

If you are not a current volunteer and would like to help in the future there are many different levels of participation available. Call Kay or Dick Halbmaier at 689-2630 to get more information if you are interested.

THE SOFTBALL SEASON WAS QUITE A SUCCESS

We were 10-4 for the season which gave us a #4 seed out of 18 teams. As far as the team goes we had the same players from last year but I think we just played and hit better. As a sad reminder, we were 0-6 in the last two tournaments and looking for our first win. We did not have to wait long as we handled the first team we played. We played at 7:15 am on Saturday and lost by one. We then played at 2:45 and won that game. We played at 6:45 and won that game. We then played at 9 pm and lost by two. We finished the tournament 3 wins and 2 losses. The first win seemed like the WORLD SERIES to us. I was so proud of being a part of this team. We still faced some teams that complain about everything and we were not like that. I am officially turned the coaching duties over to Brent and Dawn but will continue to play. I had Sara put out an email on Friday morning saying where and when we played that day. We had two people show up but they were awesome. Thanks alot to Randy and Joyce for being there for wins and losses-they were there for every game. We didn't mind sharing our dugout with you but it was pretty close quarters. Next year maybe the team support will pick up a little. This too is a type of ministry so come out and enjoy what GOD has provided, able bodies and some not so able anymore. J/K.... Jesse Peck.
